48"x200' Non-Climb Horse Fence Class 3 SKU# 70342

V-Mesh Horse Fence

2" x 4" diamond mesh with a springy texture allows horses to brush and bump harmlessly. Close spacing prevents hooves from catching.

Non-Climb Horse Fence

2" x 4" steel mesh stops horses from stepping through. Flexes on impact and Square Deal knots won't cut horses. Also available in black.

Please print and mail this voucher along with your receipt to the address on the right to receive the rebate amount listed for each roll. Discount applicable to product #'s listed above.
